ELECTION RESULTS: At the last association meeting the following members were elected to their respective offices:-

President -Robert J. Master, 114 Lisle Ave.
Vice President - Roger McLeod, 2006 Griffith Rd.
Secretary - Mrs. June Howett, 417 Leonard Rd.
Treasurer - Marvin Erlendson, 2309 Nordlie Pl.
Sergeant at Arms - Robert Roadarmel, 125 Paxton Rd.

Reports were given by the chairmen of the various committees on past accomplishments, and work in progress to date. Appreciation was expressed by the outgoing president, Ben Shimberg, for the fine cooperation of the Executive Committee, D.R.'s and other members, who helped so faithfully on the various committees and association activities.

To our past president and his executive committee we are all appreciative for the past term's accomplishments and the "personal touch" Ben and his associates have used so gracefully to forward the Association.

ST. VALENTINE'S DANCE: Another enjoyable and successful evening was had by those who attended the association dance at McLean firehouse Valentine's night. Doug Crisman, dance chairman, reported another fine community gathering.

OUR "NEW APPROACH": Have you noticed that the improvement program is well underway on the entrance to Pimmit Drive at Leesburg Pike? June Henry, our Housing and Gardening Committee chairman, is doing a splendid job. Contributions to date total \$312, a fine response in behalf of all contributors. A contract for the landscaping has been signed and we are hoping for completion in about three weeks.

We are especially grateful to Mrs. Henry and the children and mothers who assisted in collecting the contributions, and we are completely overwhelmed by the enthusiastic reaction of Mr. C. T. Michel, Fairfax resident engineer, who is arranging to supplement our plantings with rambler roses on the grade above the entrance, in addition to grading the slopes.

POLIO DRIVE: Pimmit Hills response to the Mother's March on Polio was most gratifying, contributions amounting to \$560. Orchids to Nan Netherton, who handled arrangements, and the kind Marchers.

FAIRFAX C.A.'s FEDERATION: At a meeting Thursday night the county Federation of Citizens' Associations approved a redistricting of Fairfax County to provide seven magisterial voting districts in place of the present six.

Ray Douglas
Roger McLeod and Marvin Erlendson represented the Pimmit Hills C.A. at the meeting approving the plan calling for six districts to share urban and rural populations and a seventh district which would be entirely rural. According to the proposed plan Pimmit Hills would be located in a new Dranesville district.
