## PIMMIT HILLS GIRL SCOUTS WIN FIRST PLACE AT "SKILLS DAY"

Intermediate Troop 32 placed first at the "Skills Day" at Camp Crowell for all Dunn Loring Neighborhood Scouts. They were handicapped by having only six of their twenty-four members attending--Joan Gafford, Mary MacIntyre, Linda Gray, Nancy Parsons, Diane DeMille, and Barbara Schoch.

These girls won first place ribbons in Bandaging, Knot tying, Nature drawing, Lining and Estimating heights. They placed second in Tent pitching and Fire building and third in Bedroll making and Toolcraft.

At the close of the contests, Troop 32 had accumulated 150 points out of a possible 185 and was awarded a troop banner to be attached to it's flag staff.

Lemon Road School Troop 397 tied with Dunn Loring's Troop 542 for second place with 120 points each.

These events were planned and run off by Pimmit Hills Senior Troop 152 who earlier in the program had the honor of being pinned by Mrs. Robert Parsons at an impressive flag-pole ceremony where she congratulated each scout and awarded her a "FIVE POINT PIN". She thanked the troop for cooperating in different programs throughout the year.

Mrs. John Deputy, Troop 152 Advisor, presented the girls with a "PROGRAM AIDE" after each assumed an obligation to give thirty or more hours service in helping younger scouts.

Mrs. Parsons was presented a "Certificate of Thanks" from the Dunn Loring

Neighborhood for her faithful service on termination of her tenure of office as Neighborhood Chairman.

The Brownie Program at "Skills Day" was on an instruction basis. Trail laying was taught by Mrs. Robert Hall, Jack-knife instruction by Mrs. Maurice Schoch, Bandaging by Mrs. Joseph Wright, Square-knot tying by Mrs. Merlinda Olberg, Nature games by Mrs. Richard DeMille.

Brownies from Pimmit Hills attending were from St. Luke's Troop 212, Lemon Road School Troop 34 and Pimmit Hills School Troop 467.

## PIMMIT HILLS SCHOOL PLANS SUMMER RECREATION PROGRAM

The Summer Recreation Program began June 27 at the Pimmit Hills Elementary School. Some 350 children were in attendance. The Program being conducted by the Fairfax County Recreation Department has Miss Frances Schottroffe serving as Leader and this will please many, as Miss Schottroffe is presently one of our own capable members of the Pimmit Hills Faculty.

In this endeavor Miss Schottroffe will be assisted by Assistant Recreation Leaders. Various outdoor sports and games are being participated in by the children and many inside sports, plus arts and crafts.

It must be noted at this time that a great deal of planning and preparation went into the Summer Program. With the backing of the Executive Committee of the Pimmit Hills PTA, Fairfax County Recreation Department was advised that this Community desired to have such a program.

In preliminary work it was determined that a good number would be in attendance. Also the indication at the preliminary planning was that a good number of adult helpers would also be on hand. With all of these facts, certain people went to work and the program was planned.

Individual recognition must be paid to those people who devoted so much of their own time to the end position which we now have with us.

At this time, I would like to express my humble appreciation to those who have worked on this program in some form or other since last FEBRUARY.

First, to my wife, Mary Glass who has manned the phone and kept the books in my absence.

Then, Mrs. Laura Ticknor for her ever present help on almost any matter, Mr. Pete Partridge, who handles all the money, his wife Jean; Mr. Eagle for his work in registration; Mrs. Iris Hermamierer for her work on the phones, and last but not least is Mrs. Zella Keys for all the cooperation with her school, advise and wonderful assistance.

It is a great honor to serve a community when one can have at their disposal the help and individual merits of such good people. I will be the first to admit that this program has not been an easy one to get under way, there have been many hard roads to cross, but, now that the program is with us and our children are enjoying themselves every day, I can only sit back and realize that some small contribution was made to the lives of those who we will look to in not too distant future to lead us in the changing times ahead. For this, I am grateful.

To make one child happy will lead to some community somewhere someday being made a pleasant place to live. To have been given the love of a community, a child can do no more than carry it with them wherever they go.

As Parents in Pimmit Hills, you can be proud of your community, as it is looked upon in Fairfax as an area that will take care of what they need, fight for what is right and will help in what is best.

For this alone, I feel proud to have led this program from start to finish. Thanks for everything and trust we have the same again next year.

#### SCHOOL SITE IMPROVEMENTS PLANNED

Since the school bond issue has been passed, the school board hopes to use funds in this area over the next four school years for site improvement at the following elementary schools: Lemon Road, \$9,800, Pimmit Hills, \$6,000 and Dunn Loring, \$16,500. This includes grading and draining the play areas, sodding where needed and bringing parking areas and black-top play areas up to County-wide standards. Also, a new senior high school is being planned for the Tyson's Corner area. It will consist of about forty-five acres and will have a 1,600 student capacity, which will eventually be enlarged to accommodate 2,000 students. However, the site has not yet been purchased.

## GENERAL NEWS

Boy Scouts of Troop #984, St. Luke's Methodist Church, were awarded the second place banner for excellence at the Boy Scout Exposition at the Armory. The troop demonstrated various types of home made animal traps.

Two patrols of the troop participated: the Flying Eagle and Beaver. Chris Tatham, Jr., Assistant Scout Master, did quite an outstanding job in explaining the traps to those interested, assisted by the following scouts: Joe Goodwin, Jim Hughes, Ernie Watkins, Kenneth Ritchey, Billy Young, Mike Anderson, Tony Baume, Jimmy Haydin, Bill Tatham, Tommy Zangrilli, Jack Prather, Gordon Saar, Aaron Alexander, Maurice Bull and Allan Burnstein.

Of course, none of this would have been possible without the help and transportation from the following fathers: Mr. Chris Tatham, Mr. Lou Zangrilli, Mr. John Goodwin and Mr. Monroe Ritchey. Anyway, we can well be proud of our boys for the way they conducted themselves and the winning of a much coveted award, amidst plenty of tough competition.

Mrs. Margaret Hall, 1921 Anderson Rd, drove a group of Brownies down to Camp Crowell for the Brownie Play Day. Girls attending were: Barbara Lewis, Donna Elliot, Cathy Carl and Cheryl Ritchey.

Mrs. Majors' 7th grade of the Lemon Road School went on a picnic at Great Falls Park. Parents providing transportation and chaperonage were: Mr. and Mrs. Woodward, Mr. and Mrs. Raymond Billingsley, Mrs. Stuart and Mrs. Lewis.

The WSCS of St. Luke's Methodist Church recently held an ice cream social on the church grounds. All kinds of goodies were available, several kinds of ice cream sundaes, pies and cakes. And the portions were quite large, too.

Newly elected officers of the WSCS for the coming year are: Ginny Jacquette-president; Carol Urbanske-vice president; Margaret Wilson-secretary; Mary Zangrilli-treasurer; and the following girls will serve as circle chairman: Vivian Wayne, Edna Kendall, Betty Kilby, Irene Shifflett and Ann Wagner.
